COMMEMORATE BOOKLET

ACKNOWLEDGEMENT TO COUNTRY

We would like to acknowledge this land that we meet on today is the traditional lands of the Kaurna people and that we respect their spiritual relationship with their country. We also acknowledge the Kaurna people as the custodians of the Adelaide region and that their cultural and heritage beliefs are still as important to the living Kaurna people today.

THANK YOU SPONSORS

Thank You

To our loyal supporters, without their ongoing support, many of these awards would not be possible

GOLD SPONSORS (\$500 & Above)

Rebecca Ludewig | Rick Maurovic | Robert Styling AFSM | Sarah MacAskill
Sarah Ouk | Spruik Education | Steve Hore | Therese Musolino
Tim Sando | Wyatt Benevolent Institution | Youth Opportunities | Zoe Bettison | Zonta

SPEECH DAY ADDRESS

I would like to welcome those of you here today, our award winners from Years 7- 12, Sponsors, Old Scholars, Governing Councilors, the Graduating Class, family members, community members and staff.

This is the first time the whole school is not able to attend Speech Day due to the increasing size of the school. However, we believe the opportunity to extend unlimited invitations to all family members and friends of award recipients and Year 12 students is a welcome bonus. As the school has increased in size with the inclusion of Year 7s this seemed an opportunity to reset Speech Day. For the last 2 years, as a result of covid, we had limited access and very restricted Speech Days. So, it is with much excitement that we present this new, although still very traditional format for Salisbury High School.

I firstly would like to acknowledge the accomplishment of the graduating class of 2022 for surviving three truly grueling and unexpected years that have tested us all. No one could have predicted the long and ongoing impact that covid has had. Who would ever have imagined that the world as we know it, could be brought to a virtual standstill. And not unexpectedly this year proved the hardest with closures, staff shortages and many restrictions. However, you have shown resilience, persistence and commitment to still be here today. It would have been easier to not finish, to not try hard and not give it your all. Yet I know that here today are students who have not just survived the last 3 years but who have become stronger because of it and who will go forward to excel and follow their dreams. We are expecting some students to achieve exceptionally high standards.

The world we know has changed dramatically and may never look or feel the same. However, we all now know you have the power to shape your destinies in spite of very difficult circumstances.

I know this school will have a lasting impact on each and every one of you. Hopefully, you have made some lasting memories in your time at Salisbury High School. This school has had a hand in shaping the person you are now and the person you are yet to become.

Remember this with good humor, humility and pride. Always be proud of where you have come from.

Thank you to the parents and families for supporting both the school and student's during your child's journey. We value the connections made with families and appreciate their support.

To the teachers, I am humbled by your commitment, strength, flexibility and seemingly endless capacity to dig deep in the toughest of times. You never gave up on our students and the relationships you have developed and the results they will achieve, is a credit to you all. The class of 2022 know the learning and support you have provided academically, emotionally and socially. I cannot articulate the depth of support you have provided to our students, to each other and to our community. I thank you all.

To the class of 2022. You are in front of me, for one of the last times, as students of Salisbury High School, and as friends.

Advice I want to share with you is to realize how talented, inspiring and resilient you can be. Today is the beginning of your next journey and where you are heading is what matters. So, embrace this next stage of your life. Don't be afraid but continue to learn and grow and be inspired by people and places. Seek new experiences, work hard and live life to the fullest. Be curious, take risks, be strong, be sensitive, be caring and be true to yourself.

Our work here is done. It is time for you to move on. But remember Salisbury HS with fondness, stay connected, reach out if you need and hold your memories close. We will welcome you back as Old Scholars. This wasn't the year you expected but it was your year and I am proud to have been a part of it.

Congratulations class of 2022.

Sylvia Groves
Principal

JENNIE HILL MEMORIAL AWARDS

The Jennie Hill Memorial Awards are sponsored by the Paralowie Lions Club in memory of Jennie Hill. She was very involved in many projects associated with our youth.

A perpetual trophy is kept at school.

\$500 and a trophy *Kiya Young*

\$1000 and a trophy *Tegan Brown*

MEMORIAL AWARDS

NATALIE LOUISE STREATHER MEMORIAL AWARD

Natalie was a very good artist who had some of her work exhibited but unfortunately passed away at age 17. Natalie's parents created the Natalie Louise Streather Memorial Fund worldwide to assist teenagers to achieve their desired goals. Her mother is an Old Scholar of Salisbury High School.

A perpetual trophy is kept at school.

\$150 and a Trophy *Kristen Fisher*

PHILLIP WARNER MEMORIAL AWARD

Phillip was a former student at Salisbury High School who sadly passed away prior to him finishing school. His parents, Adrian and Elaine Warner sponsor this award every year for a student who demonstrates courage and determination to succeed, often against great odds.

A perpetual trophy is kept at school.

\$150 and a Trophy *Ella Soy*

GOVERNING COUNCIL CHAIR PERSONS ADDRESS

Hello and Welcome to Parents, guardians, friends, guests and especially welcome to the 2022 graduating class.

My Name is Betty Mackenzie. I am an active member of the community and I am chairperson for the Salisbury High School Governing Council. My Journey started at this school in 2014 and I am now seeing my second child graduate.

I would like to acknowledge the great challenge that the class of 2022 have had to face during their whole senior year experience. Covid came and hit them all hard in different ways. I think the students standing here today have had the hardest senior year yet. Three years of obstacles, guidelines, rules and hurdles. Online classes, school closures, no teachers and the compulsory wearing of masks. But with all the behind the scenes work from the leadership team, the teachers, the admin staff and the Governing Council, Salisbury High has pushed forward through it all and has achieved the best outcome possible.

With our school moto being "Pathways to Success" that is exactly what has been delivered in getting you all here today to graduate, helping you accomplish your tasks and to jump those hurdles to direct you all down your own pathways.

Now wherever that pathway may lead is now up to you. Remember where you have come from, remember the pathway you have walked to get here. Be proud to be from the North, remember the good times you have had, the friends you have made, the friends you have lost but always remember pathways can change and change can be good and it may just be more obstacles for you in the pathway. However, you are now prepared for success and to start your own new pathways for further success.

I have watched a lot of you grow from year 8 and I can say I am proud to see all the familiar faces here today. In fact, I am very proud to see you all here today! Congratulations class of 2022.

Chairperson

STUDENT ACTION TEAM REPORT

The Student Action Team (SAT) has had an extremely successful year, actively coming up with ideas to improve our school and making them happen. Our major project teams were

Celebrating Diversity, Mental Health and **Environment**. Today, some of our SAT members will be sharing our achievements

Term 1 was a rough start with COVID as we found it difficult to meet and some of the events we were working on were cancelled at the last minute... but many of us had the opportunity to attend eye-opening leadership excursions. Back at school, we loved leading our Wellbeing Day stall where we exchanged popcorn for ideas from students and staff

Celebrating Diversity: In Term 2, we led a week-long 'Be Brave, Make Change' Reconciliation Week program with AbEd. We wanted to help the school understand more about Aboriginal and Torres Strait Islander history, culture, and achievement. Our showcase of events included an Amazing Race, food tastings, a Kurna class, an art workshop, and Aboriginal games. What a week!

In Term 3, we held a new event called World Tourism Day. We chose to represent Malta, Japan and Nepal on the day, sharing their culture, sport... and food, of course. The Malteze Baked Rice (which tasted like lasagne) was a hit, along with the Open Sandwiches and Nepali sweets. Students got right into the activities like origami, kick ups, and marbles... but the stars were our Nepali dancers and sumo wrestlers. The gym was full of people cheering – they loved it!

Mental Health: To start the conversation around mental health and wellbeing, we planned an R U OK? Day event with badges handed out at recess and conversation bingo at lunch. We also shared these activities (and many more) with care groups, who were able to watch the awareness video that we created, asking SAT members what they thought people needed to know. Even though it may not seem like it, lots of people are going through similar challenges. Reaching out to others can be beneficial, even though it can seem scary! You're not alone.

Environment: For our planting project, we worked with Special Ed students to plant over 50 native bushes, shrubs and grasses at the front of the school near M block. We used shovels, drills and other tools to help us create holes for these seedlings. This was a fun and exciting experience.

To combat our littering problem, we started the Care Class Clean-Up Challenge for our Junior and Middle school students, giving them a small area of our school to tidy. We're pleased to say that hundreds of students were involved, picking up dozens of buckets of rubbish. Well done!

Wider leadership: Throughout the year, many of our students have had the opportunity to lead and make a difference beyond our school. We were all involved in a consultation with YACSA – the Youth Affairs Council of South Australia – to help guide Local, State and Federal Governments. Our members have been given many opportunities to be in representative groups and on boards too, such as the Salisbury Youth Council, the Youth Environmental Council of South Australia, the South Australian SRC, and the SHS Governing Council.

It has been an exceptional experience being part of the SAT this year. It teaches students how to become more confident in themselves and around different communities. We have been preparing lots of exciting events and activities for our school... and we have so much more to come.

SENIOR SCHOOL LEADER ADDRESS

Firstly, congratulations to the class of 2022 on all of your achievements and contributions to the school over the past 5 years.

2022 has been an exceptional year for all of South Australia, not necessarily in a good way either.

Covid interruptions have truly challenged your resilience and determination to achieve your career goals.

Whether you achieved outstanding academic results, achieved SACE, completed SACE (Modified) or completed a Vocational certificate course, your achievements are equally valued.

As we all know, SACE results are scheduled to be released by the SACE Board on Monday 19th December from 8am.

Yr 12's can access their results by logging into the SACE Board Students Online webpage or wait for Australia Post to deliver the results.

Senior Central will be open. Senior school teachers and staff will be present to support you with accessing your results and to provide guidance.

Whichever method you use, this is a day of heightened anticipation and anxiety for students, parents and teachers alike. But remember it is simply another day in the journey of life.

If you haven't realized it yet, some of you made our life darn frustrating and others made us extremely proud!

Emotional responses to success or failure are temporary. Don't dwell on them.

Whatever your results are, when you receive them, move forward, no point worrying, it's too late to change them.

It's what you do next that matters most.

Although this is the end of your secondary schooling - it is the start of a new journey and adventure for you.

Make the most of it.

Plan for your future, but don't be scared to deviate from the path.

Set goals, achievable goals, that you can take step towards.

Don't be afraid to take calculated risks, a life without risk, is no life at all.

Remember: Procrastination kills the biggest dreams

Whatever path you choose to take, work really hard, be the best you can be, make the most of what you have and always strive to achieve your best, and most important of all enjoy life.

Finally, on behalf of the Salisbury High School staff and students, we wish you all the best for the future and we are looking forward to you visiting us in the coming years.
