

NORTHERN OPPORTUNITIES

WHAT IS NORTHERN OPPORTUNITIES?

It is a 4-year program starting in year 9, that provides you with mentoring, leadership training, life skills, scholarships and paid work experience.

The program will challenge and support you to create your own goals, build resilience, test your limits, feel independent and get the skills and confidence needed to live your best life!

Over the 4-year program you will participate in a range of modules, including:

FREQUENTLY ASKED QUESTIONS

1. How much will it cost?

Absolutely nothing! This program is funded by the Kain Foundation.

2. If I do the program, will it change the classes I attend? Does it impact on my SACE?

Some years there will be a small impact on your classes, but you will not be disadvantaged academically. We will let you know early in the year when sessions are scheduled, and if you have any concerns or questions you can talk to Mrs Blackmore or Mrs Groves.

3. Do I have to do all 4 years of the program?

Our team believes in your potential and wants to work with you to help you achieve it! The program works best when you stick with it for the full 4 years.

If you have any doubts about continuing in the program at any time, please speak to Mrs Blackmore or Mrs Groves. Remember, we're in this together!
