SPEECH DAY ADDRESS

A warm welcome to everyone here today including our award winners from Years 7 to 12, sponsors, Old Scholars, Governing Councilors, the graduating class, family members, community members, and staff.

As our school has grown, especially with the inclusion of Year 7s, it has become impossible for the entire school to attend Speech Day but we were delighted to offer unlimited invitations to all family members and friends of award recipients and Year 12 students. This is a wonderful opportunity to celebrate together.

Writing this speech is never easy. It is a challenge to find the right words to farewell a group of young people who have grown and flourished under our care. First and foremost, I want to acknowledge the accomplishments of the graduating class of 2024. You have completed your secondary schooling years, a period marked by significant change. You have endured the long-lasting impact of COVID, a pandemic that brought the world to a virtual standstill. The effects of COVID are still felt today, with changes in attendance, staff shortages, and the way we learn. You have also navigated the challenges of a mobile phone ban in schools, which, despite initial difficulties, has ultimately improved learning and social connections. Luckily, you have dodged the looming ban on social media.

The class of 2024 has shown remarkable resilience, persistence, and commitment to be here today. At times, it could have been easier to give up, to not try hard, and to not give your best efforts. Yet, you have not only survived but thrived. You have become stronger because of these challenges and are now ready to excel and follow your dreams. We expect some of you to achieve high standards this year and are confident that each of you has potential to make a positive difference to our world. COVID, the Middle Eastern conflict, and global elections are all examples of the state of global flux which impact us. You have the power to shape your destinies despite these difficult circumstances.

I hope you have made lasting memories during your time at Salisbury High School. This school has played a significant role in shaping who you are now and who you will become. Remember Salisbury High School with good humour, humility, and pride. Always be proud of where you have come from.

Thank you to the parents and families for supporting the school during your child's journey. We value our connections with families and their support.

To the teachers, I am humbled by your commitment, strength, flexibility, and seemingly endless capacity to dig deep in the toughest of times. You never gave up on our students, and the relationships you have developed and the results they will achieve are a credit to you all. The class of 2024 knows the learning and support you have provided academically, emotionally, and socially. I cannot articulate the depth of support you have provided to our students, to each other, and to our community. I thank you all.

To the dedicated care teachers who have advised, chased, advocated, and supported students and families on so many levels, you have made a difference to each of your care students and helped them find their way. You have seen your students mature, grow up, and shape themselves into young aspiring adults. Our relationships have been our strength, and each unique student now holds a place in our hearts.

To the class of 2024, realize how talented, inspiring, and resilient you are. Today marks not just the end of a phase but a new beginning. Embrace this new stage of your life with curiosity, courage, and willingness to learn and grow. Seek new experiences, work hard, and live life to the fullest. Be curious, take risks, be strong, be sensitive, be caring, and be true to yourself.

It has been a privilege to be your principal over the past five years. Our work here is done, and it is time for you to move on. But remember Salisbury High School with fondness, stay connected, reach out if you need, and hold your memories close. We will always welcome you back as Old Scholars. This may not have been the year you expected, but it was your year, and I am proud to have been a part of it.

Congratulations, class of 2024.

GOVERNING COUNCIL CHAIR PERSONS ADDRESS

Good Morning, teachers, parents, families, and most importantly, the graduating class of 2024

I am Kimberley, Chair of Salisbury High Governing Council. I am honoured to be here this morning to celebrate a significant milestone in your lives. After years of effort, growth, and discovery, you are standing at the threshold of a new chapter, ready to step into the world beyond high school.

First, let's take a moment to reflect on the journey that brought you here. From your first day of Year 8 (or earlier, for some), nervously navigating new hallways and meeting unfamiliar faces, to these final days of Year 12, you have grown tremendously—not just in knowledge, but in resilience, character, and ambition.

The past few years haven't been without their challenges. Many of you balanced demanding schoolwork with part-time jobs, sporting commitments, and personal challenges. Some of you even endured disruptions caused by global events like COVID-19. Through it all, you persevered, demonstrating a strength that will serve you well in the years ahead.

As students of Salisbury High, you have been part of a community that values diversity, innovation, and connection. An extended village as you will. As Chair of the school council and Mother of 2 Students at this school. I can promise you and your parents that you have been surrounded by staff and teachers who are some of the most hardworking, dedicated and caring people I have ever met. The teachers and staff have cared about you as if you were their own.

But now, it's time for you to make your way in the world and you may ask What's next?

The answer isn't the same for everyone, and that's okay. Some of you might pursue university studies, apprenticeships, or enter the workforce. Others might travel, explore passions, or take time to figure things out. Whatever path you choose, remember that life is not a straight line. It's a winding road full of unexpected detours, challenges, and triumphs. Embrace those moments—they are where growth happens.

As you leave high school, I urge you to carry forward the lessons you've learned here. Remember the value of hard work, the importance of kindness, and the power of community. Surround yourselves with people who inspire you, challenge you, and bring out your best.

Also, never underestimate your potential. You are part of a generation that can shape the future—whether through your careers, relationships, or contributions to society. Dream big and don't be afraid to take risks. As the saying goes, "The greatest risk is not taking one."

Finally, take a moment tonight to thank those who have supported you along the way—your families, friends, and teachers. They've been your cheerleaders, your guides, and, at times, your reality checks. They've believed in you, even on the days when you found it hard to believe in yourselves.

Class of 2024 as you step out of the gates of high school for the last time, know that you are equipped with everything you need to face the world. The future may feel uncertain, but it is also full of possibility. Embrace it with open arms, and trust in your ability to make a difference.

Congratulations, graduates. The world is waiting for you.
Thank you.

Winner of the 2024 ADF Future Innovators Award for Year 12 | \$550 Brodie Clark-Mudge

2024 was another busy year for our young leaders at Salisbury High with students engaging in many projects, activities and events!

The start of 2024 marked an exciting new venture for Salisbury High School with the introduction of the **Student Leadership Team**, designed to amplify student voice and foster leadership skills amongst students. Students from all year levels submitted applications and presented to Care Groups, who voted in their representatives.

A NEW TEAM JUMPER

As the school year progressed, the Student Leadership Team met weekly to start their efforts as leaders.

One of their first tasks included designing a new special 'SLT' jumper that we could wear throughout the year. We shared our ideas about styles and colours that would not only represent the school well and voted on which they thought would make them stand out in the school yard.

ATHLETICS DAY AND OPEN NIGHT

Students wasted no time stepping into their new roles to run a Zooper Dooper stall at Athletics Day, which would raise money for future SLT projects. These were a popular cold treat on such a hot day! The new team also proved their commitment by volunteering on Open Night and taking responsibility for leading tours, serving BBQ sausages and offering insights to future families and students. Students left a lasting impression on the perspective students and their families, with many positive comments about the team.

COUNCIL SURVEY

In an effort to amplify the voices of our student body, the Student Leadership Team spent time in Term 1 surveying their classmates to collect data about their engagement in the Salisbury area. This was then taken with the students on an excursion to the Bagster Road Community Centre where the team met with Council workers to present and speak about how to better support the wants and needs of the youth in the community.

SENIOR LEADERSHIP TRAINING

Late term 2 some of our senior leaders were lucky to be visited by the Greenwood Institute who delivered a leadership training day. Lots of laughs were had throughout the day, alongside some quality lessons on soft and hard leadership skills.

YEAR 9 ALTITUDE DAY

In first term, twelve of our Year 9 student leaders got the opportunity to attend an exciting leadership event called 'Altitude Day.' This event held in the Adelaide Town Hall brought students together from around the state and gave our young leaders an opportunity to grow leadership skills.

A TRIP TO CANBERRA

Term 3 started off strong with four Year 11 students travelling to Canberra to present at a National Youth Summit held at Parliament House. The Summit provided a platform for students from across Australia to present ideas on diversity and inclusion, as well as the opportunity to meet and listen to prominent leaders like the Minister for Education, Minister for Youth and Governor of Australia!

TERM 3 FUNDRAISERS

In Term 3 the Student Leadership Team held two fundraisers; a bake sale which raised over \$180 and an end of term movie screening that sold over 100 tickets. The team showcased excellent teamwork throughout both events, preparing and baking recipes, selling movie tickets, making popcorn and even volunteering our own time to set up and clean up after both events.

STUDENT ACTION TEAM the SAT also wrapped up their work on sustainability projects with the purchase of a worm farm and compost bins. These were purchased with money the team raised selling snacks at the school musical. We are proud to now have kitchen caddies across the school which the team empty weekly to feed the worms and compost.

EMPOWERED DAY At the start of Term 4, female leaders from Years 10 and 11 attended the "Empowered Day" leadership conference organised by Port Adelaide Football Club. This day featured inspiring stories from women in various industries as well as practical activities with the WAFL team. The day left the group motivated and equipped with valuable insights to share with the school community.

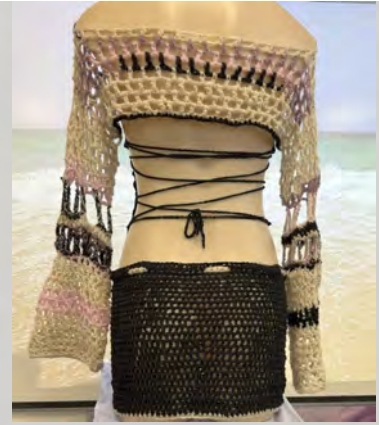

YOUTH EMPOWERMENT COMMITTEE

Term 4 also saw the creation of a the 'Youth Empowerment Committee', formed to work side by side with council workers. This new group hit the ground running and organised an end of year celebration event. The group are excited to continue this partnership with the Salisbury Council next year and continue to be the voice of students in the Salisbury area!
