# Principal's Welcome

2010 was an exciting and successful year for Salisbury High School.

Every year we are able to celebrate our many highlights, and, 2010 has been no exception. During 2010 we have made several significant improvements to our school including the development of our Language Labs, synthetic resurfacing of Tennis, Basketball and Hand Ball courts, a paved path leading to the Language courtyard and the commencement of our Trade School Centre and Clean Recycling shed.

Thank you to all members of the Salisbury High School community including our Old Scholars who work in partnership to provide a learning community of excellence in which everyone is made to feel welcome and valued.

This school continues to be characterised by its commitment to making a difference for our students. We have been and our continuous on a Teaching and Learning plan with a focus on improvement and accountability. We strive for that success through quality teaching and learning ensuring all learners have the opportunity to achieve their best.

During 2010 our International Baccalaureate Middle Years Program continued to gain much positive feedback from international reviewers. Our schools process and achievement in delivering the components of the IBMYP Personal Project has been highly acclaimed by the review team. This accolade is emphasised by the request to have our Personal Project Plan published for other International Baccalaureate schools to access. The closing comments from our 5 Year International Baccalaureate evaluation team applaud the good work our staff and students are achieving. Congratulations. We are really impressed that what you are doing in your school is making a difference in the lives of these children. Where you've gone and what you've done is just fantastic.

## Successful School Musical

Congratulations to all the staff and students who worked with such passion, pride and dedication to produce our school musical this year.

How the West Was Warped filled the audience with belly laughs and an immense pride in student musical/drama accomplishments.

Salisbury North and Salisbury Park primary schools were invited guests to our matinee performances.

## Outstanding Teachers

It is with great pride and excitement that we can celebrate the fact that one of our Science teachers Anita Trenwith was one of three National finalists at the Australian Museum Eureka Science Awards. Anita is an outstanding Science Teacher at Salisbury High School. She has also been nominated for the NEITA Inspirational Teaching Awards recognising Excellence in Teaching celebrating her success at a black tie dinner in Sydney. Anita also achieved her AST2.

Congratulations to some of our exceptional teachers who have, during 2010, achieved Advanced Skills levels through DECS: Evan Polymenas AST2, Angie Sharp AST1, Leon Karvelis AST1, Todd Symons AST1.

This required an arduous process of lesson observations, interview and presentation to a panel on their skills, expertise and performance as an exemplary teacher. It is great that they have been formally acknowledged and recognised in this capacity. Well done to them all. We are privileged that they teach our students at Salisbury High School

We would like to congratulate the following teachers who have achieved Step 9 status under the guidelines endorsed by the South Australian Teacher Quality Unit: Dora Bruno, Barbara DiDio, Peter Ditty, Anthea Langeluddecke, John Mackey, Richards Satchell, Andrew Ward and Peter Welford

## Friends of Salisbury High School

The Friends of Salisbury High School are a group of parents who work with staff to improve conditions of the school and to ensure a quality education for all students. They meet every Tuesday morning between 9am to approximately 11am. We thank our existing team for their contributions and are looking forward to welcoming old and new members in 2011.

## International Programs

The school community deserves to be congratulated for hosting three short term Japanese visits Doshiska Kori, Hosei and Ritsumeikan High Schools during 2010

The programs offered were both challenging and exciting. They included Baseball and Football Clinics, Aboriginal Art and Cultural sessions, excursions to the city and the Adelaide Hills including a tour of the Gorge Wildlife Park as well as the language and subject classes.

The feedback from Doshiska Kori, Hosei and Ritsumeikan High Schools staff and students was very positive and complimentary.

A special mention should be given to Mr Symons, Ms Combeer, Mr Westell, Mr Satchell, Mrs Trenwith, Mr Verbis, Mr Jackson, Dr Paris, Mr Kennett, Mr Fleming, Ms Turner and Mrs Quinn who all contributed to the success of the program. Thank you also to the Technical Studies staff who produced boomerang templates which were decorated by the Japanese students and treasured by them as mementos of their time with us

Each Japanese student was supported by Salisbury High school buddies. These buddies were presented with certificates for their efforts and are to be congratulated on the courtesy and

warm support given to our Japanese guests.

Further short term visits are planned for 2011.

### **Congratulations - Congratulations - Congratulations**

Salisbury High School would like to congratulate Dylan Hoskin in Rebecca Ludewig's Care Class and Daniel Stone in Emma Medhurst's Care Class for their outstanding selection in being included in the Spirit of Science scholarship program. During December these two noteworthy academic Science students will travel to London with all costs covered.

We are sure their experience will be enlightening, bringing a rich encounter that they can only have dreamt of. We look forward to hearing about their trip upon their return and wish both Dylan and Daniel all the best as they travel to the UK.

### **Students with Disabilities Basketball Carnival**

Another great event that occurred on the 26th and 27th August was the Students with Disabilities Basketball Carnival. This year, 31 teams from 14 different schools came together at the Parafield Gardens

Recreation Centre. This was the biggest Carnival yet.

We were fortunate to also receive financial sponsorship over the two days from Northern Connections, the Hon. Michael O'Brien - Minister for the Northern suburbs, Rotary Club and Salisbury Stitches.

### **Brilliant 2009 Year 12 results**

Salisbury High School's 2009 Year 12 students have shown how amazing they are through the brilliant results in their SACE, reflecting hard work, energy and enthusiasm for their studies throughout the year. These outcomes are a testimony to the wonderful opportunities presented to our students on a daily basis and the commitment and professionalism of their teachers.

The Dux of 2009, Mercedes Mifsud, gained an impressive 98.7 Tertiary Entrance score for the University of South Australia. She chose to enter a degree course in Radiology.

We also congratulate six amazing students Kristy Blue, Jasmine Crewdson, Ashley Jones, Jade Kramer, Timothy Sturdy and Bradley Thompson, who gained Year 12 merit awards of 20 out of 20. These students received their awards in a special ceremony at Government House.

Overall our SACE results indicate an increase in the number of students achieving Bs and Cs, measuring above the State average. Our 93% SACE completion is an impressive improvement from previous years. .

### **Speech Day**

Salisbury High School annual Speech Day was held on Friday 26th November. We congratulate all our prize winners and wish the Class of 2010 every success. In particular we would like to acknowledge the following students:

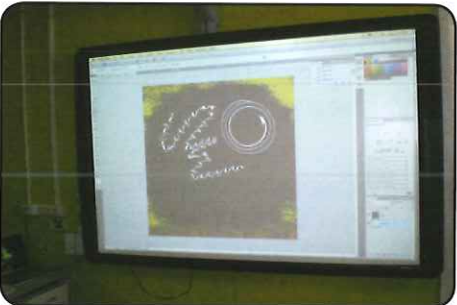

- |  |                 |
|--|-----------------|
| Dux of Junior Students with Disabilities | Brittney McKay  |
| Dux of Senior Students with Disabilities | Stacey Kahl     |
| Dux of Year 8                            | Albert Kong     |
| Dux of Year 9                            | Mary-Anne Frost |
| Dux of Year 10                           | Daniel Stone    |
| Dux of Year 11                           | Dylan Hoskin    |
| Dux of the School                        | Tully Crout     |

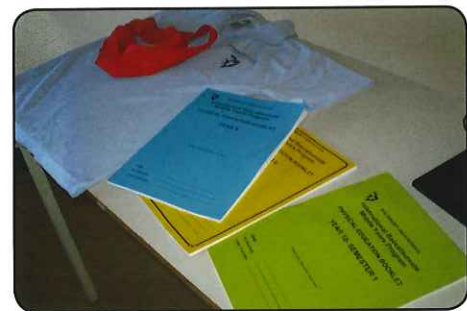

Many thanks to our Old Scholars, Community and Business associates for their ongoing support.

Finally, I would like to thank our Governing Council, chaired by Louise Hall, and all our staff who have worked so hard towards Salisbury High School becoming a school of excellence and one to which we can proudly say we belong.

Ann Prime  
Principal

# Open Day 2010

# Governing Council

The Governing Council has a clear purpose reflecting the needs and expectations of Salisbury High School students. We aim to ensure that each of them has the opportunity to access learning and support within a caring environment. Over the past year, there have been many opportunities for us to see that this is what occurs at the school and it has been a time for celebration as we have learned about the many successes of individuals and groups, and the steps taken to reinforce positive attitudes within our community. The Governing Council goes beyond the determination of policies and how decisions are made, by providing links and partnerships with individuals, agencies and organisations. I would like to express my gratitude to all of the council members for being candid and communicative during meetings and enabling this sector of the school community to be such a cohesive group. We are part of an internationally focussed, co-educational school aspiring to develop global citizens committed to demonstrating responsibility, integrity, compassion, loyalty, respect and a

dedication to making a positive difference to our world. To that end, the council provides an interactive connection between the school, parents and community organisations.

I would like to congratulate the Principal, Ann Prime, and her leadership team for an inspiring commitment to excellence in so many areas of our students' education. I would also like to thank all staff members of the school for their day-to-day support of the students and their sustained interest in their welfare. Obviously, the range of formal and informal relationships is an asset to the personal growth and education of our students.

Parental involvement is crucial to the continued success of the school. Together with the staff we can help to prepare our students to become knowledgeable, reliable and trustworthy citizens of the future.

Louise Hall

Presidents 2010:

Ben Warner

James Mattin

Fundraising:  
Maidey Woollatt

The SRC is here to give students a voice in their school and the local community. At the beginning of the year we invited interested students to join us, and the results were positive. The SRC team has grown in numbers with representatives from many areas in the school. We meet every second week to set and achieve outcomes relevant to the student body and the many charities we support.

One of our biggest initiatives is Student Action Team Training and development. Student leaders help to facilitate student voice workshops for every year 8 class. From this training year 8 students are invited to form Student Action Teams otherwise known as SAT. The facilitators are assigned to teams to mentor their progress and provide support for the SAT group meetings.

Charities we have supported this year include:

- Shave for a Cure
- World Festival of Magic for disadvantaged children
- Zoo Day for disadvantaged students
- Red Nose Day
- 40 hour Famine

Bandanna Day

Students that participated in sporting events representing the School or State.

The SRC have also been involved in:

- We have started painting in the boys toilets to help stop graffiti occurring
- Helped decide on student diaries for 2011
- We surveyed students about the new girls' summer uniform.
- We also held our first disco in the Performing Arts Centre which was great fun.
- We have collected almost 50,000 ring pulls off soft drink cans to help provide a free wheelchair to a young person in need. Well done to everyone that helped!
- Many SRC members have also participated in special events such as:
- Youth Advisory Council – January to November
- Global Leadership Convention for World Vision
