## Why is attending school regularly important?

Success in learning is strongly linked to regular school attendance and participation. Children should attend school every day, except in cases of illness or emergency. Regular attendance and punctuality are habits that are expected and appreciated at all levels of schooling and in the workplace.

It is impossible to replace the learning that occurs on any school day with catch up work. Help your child to achieve excellence through attendance. By encouraging their regular attendance and participation you will positively influence your child's learning and opportunities in life.

## What can parents do to help?

- Encourage your child to attend by taking a positive approach to school and school activities
- Send a written note to school on the same day your child returns after being absent or phone the school on the day they are absent
- Respond to text messages sent from school regarding school absences
- Read the Salisbury High School Student Diary regarding information about daily school attendance
- Attend meetings and Student Led Conference nights to support your child's learning

## Expectations of Students:

*Attend school and all classes on time each day*

- Participate in school work, prepare for all classes, complete all assignments, participate in class discussions, and follow directions given by your teachers
- Take responsibility for your actions and behaviour.

## School Responsibilities:

- Daily Attendance recorded in care and all lessons
- Text message sent at 9:30am to caregivers for students who have not attended / or signed in for AM Care
- Students absence codes recorded
- Home contact to advise caregivers of attendance concerns

- Chronic absence cases referred to appropriate Senior Leader for Middle or Senior school
- Referral to the DECD Attendance Officer where appropriate .
