

SALISBURY HIGH SCHOOL SCHOOL UNIFORM POLICY

Effective January 2014

Wearing of the school uniform reinforces school pride, respect and positive relationships. Students of Salisbury High School are required to wear our school uniform when attending school and undertaking school activities. The Uniform Policy is endorsed by the Salisbury High School Council and is formulated to comply with the regulations and guidelines set out by the Department for Education and Child Development. The school believes that this is also the most effective way of deterring intruders and thus providing an additional standard of safety to students in the school yard. Care teachers will follow up students who are inappropriately dressed in the first instance. We ask that parents support the school by ensuring that their students are wearing complying uniform.
